

**Type of Analysis:** Gas Chromatography

**Extraction Method:** Steam Distilled

**Parts Used:** Flowering Tops

**Cultivation:** Wild Grown

**Country of Origin:** France

**Lot Number:** FRF5-FS

**Item Code:** 67014

**Vol:** 10 mL

### Compound Evaluation

|                                   |         |                         |         |
|-----------------------------------|---------|-------------------------|---------|
| Hexenol <3Z>                      | 0.06 %  | Nerol                   | 0.21 %  |
| Pinene <alpha>                    | 0.09 %  | Neral                   | 0.04 %  |
| Pinene <beta->                    | 0.12 %  | Linalyl acetate         | 63.90 % |
| Camphene                          | 0.02 %  | Geranial                | 0.06 %  |
| Myrcene                           | 1.35 %  | Bornyl acetate          | 0.09 %  |
| 3-Octanol                         | 0.03 %  | Carvacrol               | 0.03 %  |
| Pseudolimonene                    | 0.07 %  | Terpinyl acetate <beta> | 0.09 %  |
| Limonene                          | 0.27 %  | Citronellyl acetate     | 0.14 %  |
| Ocimene <Z-beta>                  | 0.48 %  | Neryl acetate           | 1.82 %  |
| Ocimene <E-beta>                  | 0.74 %  | Geranyl acetate         | 3.34 %  |
| Linalool oxide <cis-(furanoid)>   | 0.06 %  | Elemene <beta>          | 0.04 %  |
| Linalool oxide <trans-(furanoid)> | 0.05 %  | Caryophyllene <trans>   | 2.14 %  |
| Linalool                          | 19.75 % | Humulene <alpha>        | 0.09 %  |
| Ocimene <allo>                    | 0.01 %  | Germacrene D            | 0.24 %  |
| Camphor                           | 0.03 %  | Cadinene <delta->       | 0.03 %  |
| Borneol                           | 0.02 %  | Caryophyllene oxide     | 0.08 %  |
| Terpinene-4-ol                    | 0.02 %  | Guaiol                  | 0.03 %  |
| Terpineol <alpha>                 | 3.77 %  | Bulnesol                | 0.04 %  |
| Methyl chavicol                   | 0.04 %  | Sclareol                | 0.71 %  |
| Octyl acetate                     | 0.05 %  |                         |         |
