

# ALIBI

# BEARD BALM

Multiple essential oils provide nutrients to the hair and skin. Similar ingredients and benefits as our beard oil with the addition of butters and wax. Butter and wax give the balm the ability to be used as a pomade-type styling agent to tame the mane. The balm also uses natural sealants to lock the moisture in. All of that with the classic Alibi scent. Additional benefits include tattoo conditioning and skin hydration.

**SKU: USSC000501**

## The Application:

Apply a small amount to beard and massage into skin and hair.

## The Feel:

Smooth buttery feel for an ungnarly beard and stache.

## The Look:

Creates a thicker and fuller look from root to tip.

## INGREDIENTS
